

III. REMARKS

1. Claims 27-34 are amended. Claims 1-26 are indicated to be allowable.
2. In the Decision on Appeal dated 18 June 2009, the Examiner's rejection of claims 27-34 was reversed, *pro forma*, and a new ground of rejection entered. Claims 27-34 now stand rejected under 35 USC §112, first and second paragraphs.

Claims 27-34 are amended to address the new ground of rejection. It is submitted that the claims as amended now recite sufficient structure as is required.

It is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record, and are in proper form for allowance. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issues remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,

Geza C. Ziegler, Jr.
